Wildlife Management Biologist - Permanent

Iqaluit, Nunavut

The Nunavut Wildlife Management Board (NWMB or Board) is an institution of public government established under the Nunavut Agreement, and situated in Iqaluit, Nunavut. The Board is currently seeking a dynamic individual to fill the position of Wildlife Management Biologist.

Reporting to the Director of Wildlife Management, the Wildlife Management Biologist will:
- Communicate with various resource users and government departments on issues affecting Nunavut’s wildlife;
- Contribute to the Board’s responsibilities with respect to wildlife management, total allowable harvests, basic needs levels and non-quota limitations;
- Work closely with Inuit and representatives of other Nunavut land and resource management agencies, concerning conservation and management issues affecting Nunavut’s wildlife;
- Lead the coordination of notices and submissions for written and oral hearings to address requests for decisions as required;
- Collaborate with other staff to address issues concerning marine wildlife, habitat and species at risk; and
- Assist with the management of the Nunavut Wildlife Research Trust, Nunavut Wildlife Studies Fund, and Community-based Monitoring Network.

Qualifications: A minimum of a Bachelor’s Degree in a related field, preference will be given to applicants with a Master’s Degree in a related field. Experience in wildlife management is mandatory. Knowledge of legislation affecting wildlife management and use of wildlife resources in Nunavut are additional requirements. Experience in northern Canada and/or in other cross-cultural situations would be a distinct asset.

Salary and Benefits: The pay level for this position will be commensurate with qualifications and experience. The NWMB offers a comprehensive and competitive benefits package, including northern allowance, vacation travel assistance and relocation assistance.
