

Tender

File Number : 2010-001

Inuulitsivik Health Center with more than 350 employees is a part of the Quebec Health and Social Services Network, Nunavik Region. The Health Center offers first-line health and social services to the population of the Hudson Coast territory of around 6,000 people.

Project: The Health Center wants to rent a immovable at Puvirnituk for a period of ten (10) years to accommodate for a short period its users from other villages in the Hudson Bay.

Project Description: The building will be located near Inuulitsivik Health Center. It will accommodate 24 people. The building of a size of approximately 4,200 square feet includes twelve (12) bedrooms and bathroom adjacent to each with room sink, toilet, bath and shower. The building also includes a common kitchen and laundry room with usual equipment. Each room should be furnished and include two (2) single beds with mattresses, two (2) bedside tables, two (2) bedside lamps and one (1) television set.

Support Staff: The proposer agrees to manage the building by hiring a supervisor, maintenance personnel and security. He agrees to assume all the obligations which may accrue to them as an employer.

The property must be functional and to be delivered by December 31, 2010. The bidder must demonstrate experience of over ten (10) years of the 55th parallel north.

Inuulitsivik Health Center not binds itself to accept the lowest or any other tender submitted.

For more information or to receive documents, you can talk to Mr. Gerald Garneau, Assistant Executor Director at (819) 988-2957 ext 240

or email gerald.garneau.csi@ssss.gouv.qc.ca

Only bids complying with the request will be considered. Submissions must be received no later than March 26, 2010 at 16:00 at the following address:
