

GOVERNMENT TENDER

Department of Community and Government Services,
Hon. Lorne Kusugak, Minister

Airside Surface Rehabilitation – Electrical Lighting System and New Granular Overlay

– Arviat, Nunavut, Canada –

Supply necessary labour, equipment and materials to overlay the granular runway, taxiway and apron areas to a depth of 150mm of new crushed base course materials, replace an existing 1200mm diameter culvert crossing the runway and to upgrade airfield electrical lighting system for the airport runway, taxiway and apron areas.

For the purposes of this tender call the provisions of the Nunavummi Nangminiqagtunik Ikajuuti (NNI Policy) apply. Information on the NNI Policy can be found online at <http://nni.gov.nu.ca>

The Minimum Inuit Labour Requirement for this contract is set at 40%.

Comments regarding this percentage level must be submitted to the Regional Director's Office at least five (5) business days prior to the Phase 1 Tender Close time and date set out below.

A \$50.00 non-refundable fee (including GST) will be charged for each tender package requested. Sealed tenders addressed to the "Regional Director's Office, Department of Community and Government Services, Government of Nunavut, P.O. Bag 002, Rankin Inlet, Nunavut X0C 0G0. (Delivered to the Projects/O&M Building, Rankin Inlet) c/o Contract Coordinator," will be received on or before:

**Phase 1 Close: 4:00 P.M. Local Time (Central),
Rankin Inlet, February 23rd, 2010**

**Phase 2 Close: 4:00 P.M. Local Time (Central),
Rankin Inlet, February 24th, 2010**

To be considered, each tender must be submitted on the forms provided, and must be accompanied by the bid security stated in the tender documents.
