Indian and Northern Affairs Canada

Manager, Mineral Resources – 1 permanent full-time position

IQALUIT, NUNAVUT

Open to Canadian citizens residing in Canada and abroad.

Reference number: **IAN10J-006858-000842** - Closing date: **March 12, 2010**

The Manager, Mineral Resources is responsible for the management of mineral resources and the regulation of mineral activities on Crown Land in Nunavut. The Manager provides expertise and advice on mineral resources' issues to all stakeholders, collectively referred to as clients or stakeholders, including senior management, departmental personnel and other federal government departments, other levels of government, mineral exploration and development companies and the mining industry, academia, Inuit organizations, the media, non-governmental organizations and the general public. The Manager provides scientific information and technical advice on results of geological studies, research work, geological maps, published papers, and data base information and on the geology of Nunavut, mineral exploration and mineral deposits to clients and stakeholders. The salary will range between **\$85,587** to **\$100,559** per annum plus an attractive northern benefits package, which includes Vacation Travel Assistance.

A reliability status security clearance check will be conducted prior to appointment.

Medical clearance may be required prior to appointment.

We encourage all interested persons to apply to this exciting employment opportunity at INAC's Nunavut Regional Office. For further details and to obtain a comprehensive work description for this position please contact NunavutHR@inac-ainc.gc.ca.
